WOMEN'S BIBLE STUDY

Tuesday Night Bible Study for Women starts September 24th
6:30-8 pm in the Student Ministry Center

Many of us struggle through seasons of bitterness, tears, and loss, wondering if there could ever be a happy ending to our stories. The story of Ruth affirms that yes, there is hope. However, it's not found in a happy ending scribed by a novelist's pen, but in the power and protection of a sovereign God who never takes His eyes off of us for even a moment.

Ruth- Loss, Love, and Legacy is a 7-session study of the Old Testament book of Ruth by Kelly Minter. Together, we will examine Ruth's journey of unbearable loss, redeeming love, and divine legacy. We'll see how God proves Himself faithful as the One who rescues, revives, and restores.

Workbooks are \$22.00 and include video access.

Squeak squeak!

When I am on the lookout from the chapel balcony, I see lots of cars pass by. One car comes by a lot. Out jump some boys and a lady they call Ms. Paula. They fill the big white Blessings Box with lots of my favorite things like mac-n-cheese and peanut butter. Some cars stop and take things out of the box and other cars stop and put more things in the box to share just like Ms. Paula and her sister GiGi. I hope to see more cars stopping on Sundays with the people coming inside to sing and worship too.

It's been so hot lately that I had to leave my lookout spot in the balcony for the room with the First Responders supplies. They must have figured out I was in that room as all the snacks are now in closable bins. Thank you for replacing the a/c units to cool things off again so I can go back to my lookout from the balcony.

There was one Saturday in July when people came to play games like Keepy Uppy & Operation and card games like Phase 10, Blankslate and do U NO Jesus?! All of a sudden somebody screamed for "ice cream". They started scooping up vanilla, chocolate, cookies and cream and even rainbow sherbet putting lots of tasty things on top leaving a few sprinkles for me on the floor even. I hope they do game day with snacks again!

Pastor Danny did a special blessing of the backpacks for the kids and blessed all the teachers from the preschool and Sunday school. Take a minute some Sunday and walk the hallways at the preschool to see their fun door decorations and pray for the ones who come to learn and grow in their faith.

It's bound to be a blessed year for all of us here at HT!

Phil's Friends Servant Event-Lutheran Women in Mission

Join mission-minded ladies who are coming together to work on the following projects to donate to Phil's Friends. Phil's Friends is an organization based in the Chicago area whose purpose is to bring hope and encouragement to cancer patients through Care Boxes that are requested and mailed to them. The following items worked on will be included in these Care Boxes. www.philsfriends.org

Date: Saturday, September 28, 2024. Time: 10 am - 3 pm. Location: The Village Church
Bring a brown bag lunch and a drink

Projects to be worked on:

Sewing/quilting: Bring your machine, sewing tools, ironing pads, rotary cutting tools and other items needed for quilting. Fabric for quilts will be available or bring your own. Batting is not furnished; bring your own. All finished quilts need to be 40"x50" and can be any design.

Knitted or crocheted hats: Bring your needles, hat patterns, and yarn. Please choose soft yarns for the hats. Patterns and ideas can be shared.

Journal decorating: Covered composition books will be decorated with encouraging messages and embellishments to be used as journals by the cancer patients. Materials are furnished. However, if you have Aleene's glue, you may bring it, as that is the glue that works the best for these books.

Encouragement cards: Materials will be available to make them.

Fleece tie blankets: Bring your own fleece--2 pieces of 54-60" wide fleece, (1¼ yards of fleece with a design and 1¼ yards of coordinating plain colored fleece). Directions for tying the fleece blankets will be available. Some fleece will be provided.

You may have an interest, are skilled in any of those areas or want to learn how to do them. No matter what skill level you have, there is a task for everyone in every area. Some of you may be willing to teach others to knit, crochet or sew. That would be welcomed. This is a great fellowship event while making items for cancer patients.
